

18th December, 2015

Dear Parents,

Primary School Homework

The Primary school staff have compiled a list of websites which are appropriate for children of primary school age and which are aimed at providing supplementary material.

Please remember that children at these ages should have ample free time to read (for pleasure) and be creative. Work done at home should be stimulating and be done with pleasure and not seen as a burden.

The websites offer a wide variety of activities and games on all subject areas of the UK curriculum.

www.bbc.co.uk/education

www.oddizzi.com/ (login details: Username: pupil1 & Password: 123456)

<http://resources.woodlands-junior.kent.sch.uk/>

www.ictgames.com/

www.historyforkids.net/

www.kidspast.com/

www.bbc.co.uk/newsround

www.funbrain.com/

<http://kids.nationalgeographic.com/>

Please feel free to share these with your children and remember that these websites will also contain links to other websites which may be of interest.

Yours sincerely,

Matthew Burfield
Head of School
